A STEP-BY-STEP GUIDE TO
USING A ROLL-UP BANNER

ROLL-UP BANNER GUIDE

1

Twist the footplate outwards on the underside of the roll up banner mechanism.

2

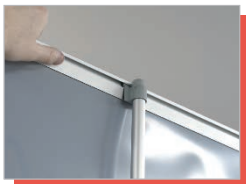

Join the segmented poles together to create one long pole and place this into the hole on the roll up banner mechanism.

3

Pull out the banner material using the metal clamp labelled with an orange arrow sticker.

4

Pull the banner up to the top of the pole and slot the groove over the lip.
